RE: Topsoil Storage Expansion Area, Canyon Fuel Company, LLC, Soldier Canyon Mine,
C/007/018

Dear Ms. Grubaugh-Littig:

Attached please find five copies of Exhibit A and Exhibit B to replace the same exhibits in Appendix 2-F. In addition five copies of Plate 2-3 have been included for replacement in Appendix 2-F.

The Exhibit A and Exhibit B drawings are being submitted to update the permit to show the surveyed footprints of the topsoil storage piles at the Soldier Canyon/Dugout Canyon stockpile. Plate 2-3 is being submitted to show the intended location for the riparian soil and the rock to be removed during the stream realignment and pad construction of the Gilson Well Project.

Pages 1 through 3 and 8 through 14 of Appendix 2-F have been included. Although there are not numerous changes in the text of this appendix, several UDOGM Approved pages which are stamped incorporated have redline/strikeout text on them. Therefore, by resubmitting the pages the UDOGM and Mine copies of the appendix will be free of the redline marking and the text which has been struck out. Both redline/strikeout and clean copy versions have been included.

The stockpile expansion was approved effective October 16, 1998 (ACT/007/018-98C) and the Gilson Well Project was approved on February 6, 2002 (C/007/039-AM01H)

Thank you for your assistance and if you have any questions, please call me at (435) 636-2869.

Sincerely yours,

Vicky S. Miller
